

Online Explorer

Ebooks about the English-speaking World...

Online Explorer is a unique combination of interesting facts with interactive self-correcting exercises, well-liked by both students and teachers. It can be used at secondary and upper-secondary schools by students at intermediate level and above.

The two CDs include all together 16 ebooks. Each ebook has materials for hours of work with interesting facts, embedded sound files, listening comprehension, vocabulary exercises, internet themes, etc.

- South Africa
- Sydney
- USA

Support and updates

Online Explorer ebooks are optimized for a screen resolution of 1024*768, but they will also work with other resolutions. To use the ebook you will need to have Adobe® Acrobat Reader and Flash™ Player installed. Both are free to install and upgrade from www.adobe.com.

Acrobat Reader 8 is recommended, especially if you use Internet Explorer 7 as your web browser. If you use an earlier version of Acrobat Reader and experience problems opening or viewing the ebook, you can try to start Acrobat Reader before you select a theme.

Visit www.onlinebooksupport.com for updates and other information.
